

MMOPA WEBSITE VENDOR FORUMS

Vendor forums are established as a service to MMOPA members. The purpose is to provide members with direct access to those manufactures and companies who provide equipment, repair, parts, STC modifications, training and services to the PA-46 fleet. Any member in good standing may request that a Forum be established. Approval of new forums shall be at the sole discretion of the Board of Directors. Forums will be reviewed periodically by the Board to determine if they are of value to members and thus continued.

A Vendor Forum is not an endorsement by MMOPA of any product, vendor or service and MMOPA is not responsible for their content. However, Vendor Forums are monitored and MMOPA reserves the right to delete any offensive or questionable material without notice.
